

Mac

Use the instructions below to find, download, save and complete worksheets electronically.

1. Select an Interest Group from the Professional Development library

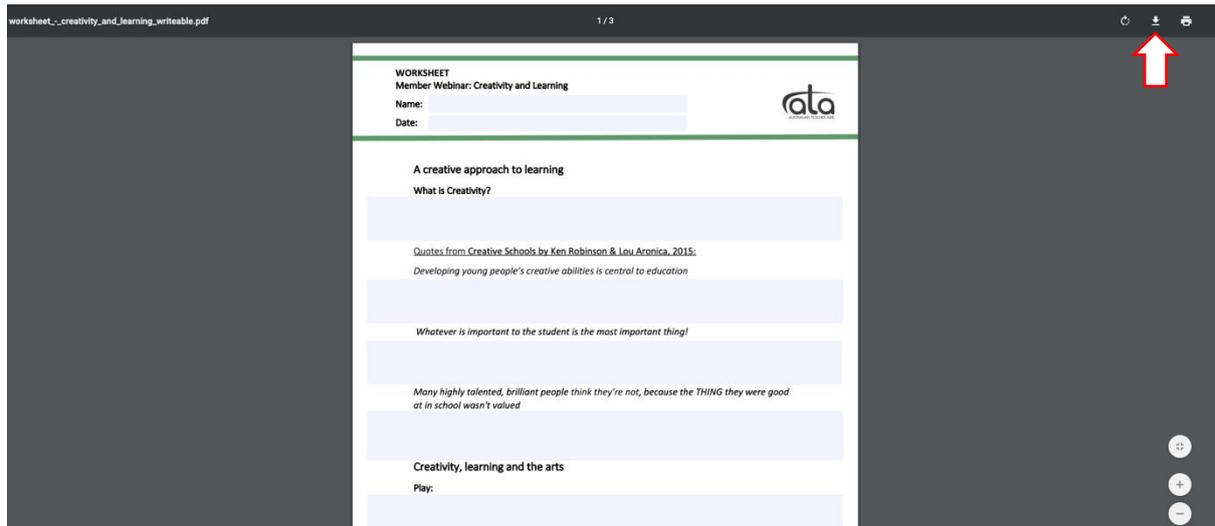

2. Choose a resource and open the resource page by double-clicking on the resource title.

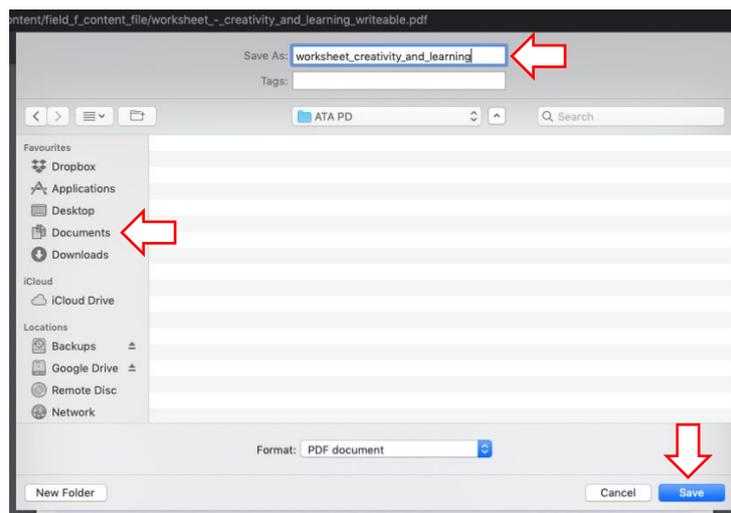

3. Scroll down to below the video and select the 'Worksheet' link

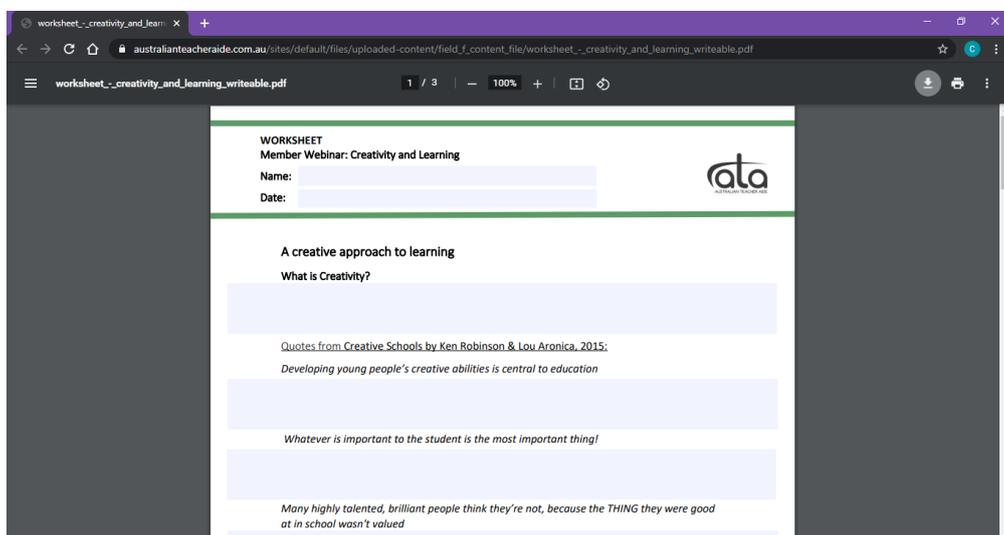

4. Once the worksheet opens, select the download icon.

5. Save the worksheet to a folder (for example 'ATA PD') in your computer files. Type in the file name, then select the 'Save' button.

* Note: Make sure you close the browser tab with the downloaded worksheet to ensure you do not mistakenly work in the unsaved copy.

6. **Go to your computer files, open your downloaded worksheet** and start typing your answers into the highlighted field. Remember to save your work, regularly.

The image shows a PDF document titled "worksheet_creativity_and_learning.pdf" open in a browser. The document is a worksheet for a "Member Webinar: Creativity and Learning". It includes a header with the "ata" logo. The form contains several sections with highlighted input fields:

- WORKSHEET**
Member Webinar: Creativity and Learning
- Name:
- Date:

The main content area is titled "A creative approach to learning" and contains the following sections:

- What is Creativity?**
- Quotes from Creative Schools by Ken Robinson & Lou Aronica, 2015:**
Developing young people's creative abilities is central to education
- Whatever is important to the student is the most important thing!*
- Many highly talented, brilliant people think they're not, because the THING they were good at in school wasn't valued*

A red arrow points to the "Date:" field, which is highlighted in light blue. The rest of the input fields are also highlighted in light blue.
